Quick Quiz

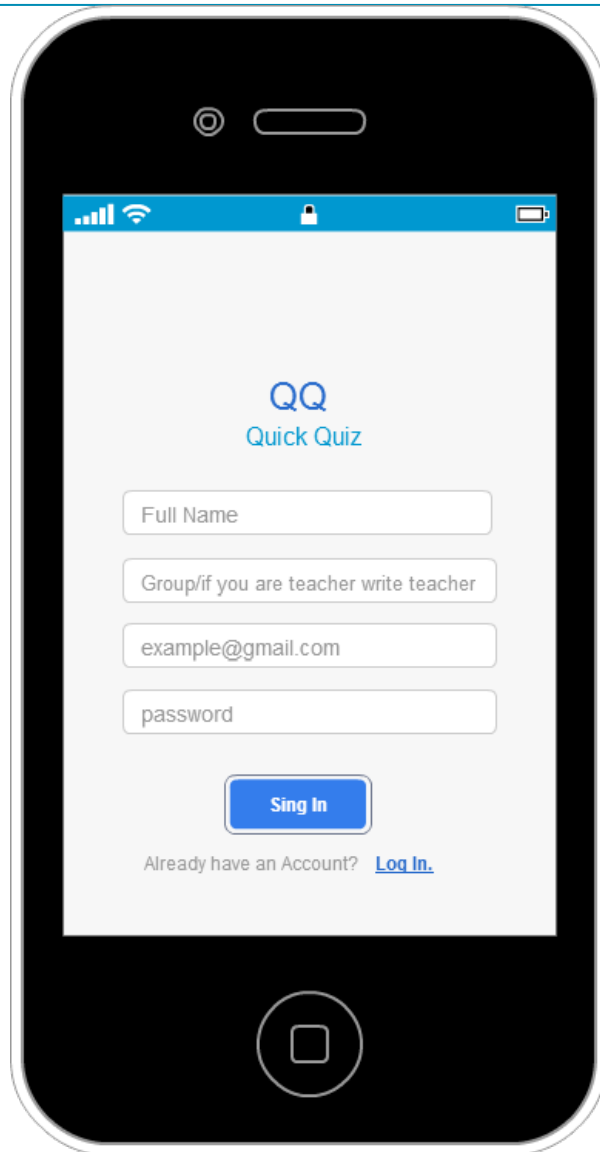

Team: 16
Group: EN3C_04
Name of the team: **CLX**
Students' full name:Sarbayev Suyun, Kusmanova Almira, Kurmangaliev Keldibek, Bekenova Anel, Abildin Yerkebulan

Project Description:

Quick quiz.The project will contain a quizzes for students of the Suleyman Demirel University. Every teacher of the University will be able to create their own quizzes for students . Quiz will have specific timing and specific runtime. Thus teachers can assess students' knowledge through such Quick Quizzes.
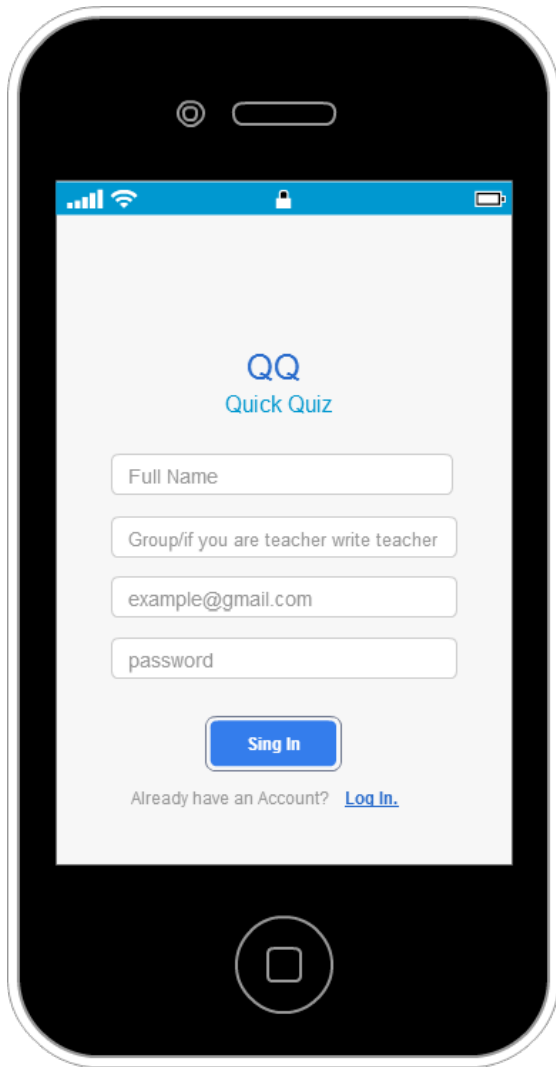

Our Goals:

-Make online quizzes more interesting and interactive
-This app safe the time for students and teachers
-Provide the access to many devices

Actors:

- **Teachers :** have access to create online quiz,see the amount of students who have online quiz at that moment, also see the results of the quiz
- **Students:** have the access to take the part in online quiz and see the results
- **System administrator :** control the work of web and mobile version of the app
